Description:

Electronic/sealed bids are requested for a contract that consists of providing labor, equipment and materials for incidental repairs of existing bridges and structures and to provide the Department with the means for a quick response to resolve problems that relate to structural repairs. The quantities listed on the summary of quantities sheet are estimates only. The Department does not guarantee any maximum/minimum quantity, any range of quantities, or the exact quantities shown for each bid item. The various items shall be constructed in accordance with the specifications and in conformity with the existing lines, grades and dimensions. This is a work order driven contract. There are no specific locations. The work is to be performed as directed by the District Maintenance Engineer or his representative.

*** Bidders must complete the Experience in Bridge Repair (Form No.850-070-04) and submit it with the bid or the bid may be deemed non-responsive.

* Special Note: This bid must be submitted using Expedite Bid or through Bid Express and all attachments must be in a zip format. Handwritten bids will not be considered.
